#### Glass Bottles with Black Lid and Sadu design Sleeve

Product Size : 70 x 260 mm  
Material : Glass and Fabric material  
Category : Drinkwares, Bottles  
Printing : [Screen Printing] [UV DTF]

A traditional form of weaving and embroidery practiced by Bedouin people, across the Arabian Peninsula, including countries like Kuwait, Saudi Arabia, and the United Arab Emirates.

Sadu patterns are characterized by their intricate and often bold geometric designs. You'll see a lot of triangles, squares, diamonds, and linear patterns, arranged in rhythmic and symmetrical repetitions.

# PROMOTIONAL BAGS

**A promotional bag, at its core, is a portable marketing tool.**

These bags are distributed to a target audience with the aim of increasing brand visibility, recall, and ultimately, sales or engagement. Unlike fleeting advertisements, a promotional bag offers utility, ensuring repeated exposure to the brand whenever and wherever it's used.
